WELCOME MESSAGE

Dear esteemed colleagues and friends,

On behalf of the Organizing committee we would like to welcome you to the 10th Meeting Endourology and Minimally Invasive Surgery, which will take place on 12-13 April 2019 in Sofia, Bulgaria.

The 10th in a row meeting aims to offer an up-to-date insight on modern diagnostic and therapeutic techniques in upper urinary tract endourology and is organized by Military Medical Academy of Sofia and the Bulgarian Association of Endourology and SWL with the support and endorsement of the EAU Section of Urolithiasis (EULIS), the International Alliance of Urolithiasis (IAU) and the South-Eastern Group for Urolithiasis Research (SEGUR).

The scientific programme of the meeting will focus on state-of-the-art lectures, debates, Live-surgery sessions and Hands-on-training sessions delivered by a distinguished and internationally renowned faculty, giving the opportunity to the participants to update their knowledge on upper urinary tract endourology and stone disease. The delegates will have the opportunity to present their own work during the moderated poster and video session.

The 10th in a row meeting “Endourology and Minimally Invasive Surgery” is expected to become once again a meeting point for urologists and young doctors working in the field of minimally invasive urology and interested in mastering the art of Endourology and exchanging professional ideas and experience in a friendly atmosphere.

Prof. Ventsislav Mutafchiyski
Honorary Chairman of the
Organizing Committee

Prof. Iliya Saltirov
