# WELCOME MESSAGE

Dear esteemed colleagues and friends,

On behalf of the Organizing committee we would like to welcome you to the 11<sup>th</sup> Meeting Endourology and Minimally Invasive Surgery, which will take place on 24-25 April 2020 in Sofia, Bulgaria.

The 11<sup>th</sup> in a row meeting aims to offer an up-to-date insight on modern diagnostic and therapeutic techniques in endourology and is organized by Military Medical Academy of Sofia with the support and endorsement of the Bulgarian Association of Endourology and SWL, the EAU Section of Urolithiasis (EULIS), the International Alliance of Urolithiasis (IAU) and the South-Eastern Group for Urolithiasis Research (SEGUR).

The scientific programme of the meeting will focus on State-of-the-art lectures, Debates, Live-surgery sessions and Hands-on-training sessions delivered by a distinguished and internationally renowned faculty, giving the opportunity to the participants to update their knowledge on endourology and stone disease. The delegates will have the opportunity to present their own work during the moderated poster and video session.

The 11<sup>th</sup> in a row meeting “Endourology and Minimally Invasive Surgery” is expected to become once again a meeting point for urologists and young doctors working in the field of minimally invasive urology and interested in mastering the art of Endourology and exchanging professional ideas and experience in a friendly atmosphere.
