WELCOME MESSAGE

Dear esteemed colleagues and friends,

On behalf of the Organizing committee we would like to welcome you to the 13th Meeting Endourology and Minimally Invasive Surgery, which will take place on 28-29 April 2023 in Sofia, Bulgaria.

The 13th in a row meeting aims to offer an up-to-date insight on modern diagnostic and therapeutic techniques in endourology and is organized by Military Medical Academy-Sofia with the support and endorsement of the EAU Section of Urolithiasis (EULIS), Endourology Academy (EA), Experts in Stone Disease (ESD), International Alliance of Urolithiasis (IAU), South-Eastern Group for Urolithiasis Research (SEGUR) and Urology in Emerging countries (U-Merge).

The scientific programme of the meeting will focus on state-of-the-art lectures, debates and live-surgery sessions delivered by a distinguished and internationally renowned faculty, giving the opportunity to the participants to update their knowledge on endourology and stone disease. The delegates will have the opportunity to present their own work during the moderated poster and video session.

The 13th in a row meeting “Endourology and Minimally Invasive Surgery” is expected to become once again a meeting point for urologists and young doctors working in the field of minimally invasive urology and interested in mastering the art of Endourology and exchanging professional ideas and experience in a friendly atmosphere.
